All Day Every Day

Senior Developer

New York, NY

I have led the development team at All Day Every Day for 2 years. My team and I have produced web and mobile applications for enterprise-level clients, global brands and non-profit organizations. A wide array of clients has given us the opportunity to expand our technology stack and offer a variety solutions that far exceed those of other digital agencies.

Transforming our small development team into a one-stop-shop for any brand's digital content has been my primary initiative. It has been a tremendous success.

Clients: Nike, The Standard Hotel, American Express, Veuve Clicquot, Club Monaco, Next Management, Rainforest Fund, The London Olympics, Ann Taylor, Aldo, Avon, Milk Studios, Comme des Garçons, Dos Equis, Express, Gap, Sephora

2010.08.03 ~ 2011.9.05

Artists Wanted / See.Me

Web Developer & Interface Designer

Brooklyn, NY

I have gained a tremendous respect for artists and the artistic process working for Artists Wanted, a sister company of 3rd Ward in Brooklyn.

Artists Wanted focuses on supporting emerging artists through online contests and portfolio management applications. It was my responsibility to design client interfaces that present complex data models, as well as client and server side application development- carrying a project from concept to launch.

Made With Salt

Freelance Web Developer & Filmmaker

New York, NY

Since April 2008 I have worked as a freelance web and film developer. Since 2009 I have worked under the trade name 'Made with Salt'. During this time I have cultivated a respectable list of clients for whom I work on a wide variety of projects. A wider spectrum of work in recent years has afforded me the opportunity to utilize my musical background to compose original scores for film and interactive media.

Clients: Big Apple Power Yoga, The Hydrofoil Society, High Caliber Solutions, Covenant Media and EncoreDecor, Army Corps of Engineers

Executive Productions Seattle

Creative Consultant & Programmer

Seattle, WA

As a creative consultant for EPS, I have been an active force in a host of projects. I work closely with the executive director to help realize an eclectic field of client concepts and goals. For many projects, I work directly with other designers, coordinators, artists, and producers.

EPS is a leader in their arena, spearheading projects independently in interactive design, film production, multi-media presentations and fundraising events.

Clients: The Army Corps of Engineers, The Partnership for the National Trails System, The Breckenridge Heritage Alliance, Seattle Children's Hospital, The Juvenile Diabetes Research Foundation, The Franciscan Group and Woodlake Parks.
